Steve Earle acoustic guitar  
Michael Smotherman organ

Once we rode together  
In a metal firecracker  
You told me I was your queen  
You told me I was your biker  
You told me I was your everything  
Once I was in your blood  
And you were obsessed with me  
You wanted to paint my picture  
You wanted to undress me  
You wanted to see me in your future  
All I ask  
Don't tell anybody the secrets  
Don't tell anybody the secrets  
I told you  
All I ask  
Don't tell anybody the secrets  
Don't tell anybody the secrets  
I told you

Once you held me so tight  
I thought I'd lose my mind  
You said I rocked your world  
You said it was for all time  
You said that I would always be your girl  
We'd put on ZZ Top  
And turn em up real loud  
I used to think you were strong  
I used to think you were proud  
I used to think nothing could go wrong  
All I ask  
Don't tell anybody the secrets  
Don't tell anybody the secrets  
I told you  
All I ask  
Don't tell anybody the secrets  
I told you
