Won't you scratch my itch sweet Annie Rich
And welcome me back to town
Come out on your porch or I'll step into your parlour
And I'll tell you how it all went down
Out with the truckers and the kickers and the cowboy
angels
And a good saloon in every single town
And I remember something that you once told me
C D7 G
And I'll be damned if it did not come true
Twenty thousand roads I went down, down, down
And they all lead me straight back home to you
Cause I headed West to grow up with the country
Across those prairies with those waves of grain
And I saw my devil, and I saw my deep blue sea
And I thought about a calico bonnet from Cheyenne to
Tennessee
We flew straight across that river bridge
Last night half past two
The switchman waved his lantern goodbye and good
day as we

Went rolling through
Billboards and truckstops pass by the grievous angel
And now I know just what I have to do
And the man on the radio won't leave me alone
He wants to take my money for something I've never
been shown
And I saw my devil, and I saw my deep blue sea
And I thought about a calico bonnet from Cheyenne to

Tennessee

The news I could bring I met up with the king
On his head an amphetamine crown
He talked about unbuckling that old bible belt
And headed out for some desert town
Out with the truckers and the kickers and the cowboy
angels
And a good saloon in every single town
And I remember something that you once told me
And I'll be damned if it did not come true
Twenty thousand roads I went down down down
And they all lead me straight back home to you
Twenty thousand roads I went down down down
And they all lead me straight back home to you
