You're always a stand out
The unwanted class clown
Method airing on the school yard walls
And thru the halls.
Teacher say you're bound to take a fall
But you don't try to fit in place and try to be someone
Everybody wants to love

You dye your hair blue now, to match your tattoo now.
Your father says you better do your chores,
But you're out the door.
Your parents won't take your shit no more.
But you don't try to fit in place and try to be someone
Everybody wants to love.
