

Lucky 7 "Gray Summer Day"

Another summer day turns gray and I don't know what
to do.
Searching for just anyway to turn my skies to blue.
Sitting in my room.
One more sleepless night.
Glued to the sound of a song that pulls me away just to
live through another day.
Will the stars once shine for me and feed my starving
eyes.
I'm drowning in my own dark sea of all the tears I've
cried.

Laying in my bed.
One more sleepless night.
Glued to the sound of a song that pulls me away just to
live though another day.
Gray summer day won't leave me alone.
If I can't even dream why bother.
To hold my breath when the clouds won't move on.
Gray summer day won't leave me alone.
