Kitni haseen zindagi hai yeh  
Hoton pe jaise kahani hai  
Sadaa yahan kiska thikana hai  
Un ki rawani mein jaana hai  
Bahaaronn ne har sou rang hai bikhairaa  
Rait ka sehra, ek pal ka ghera  
Ek din bikharnaa yahan

Dil bhi kahin hai pahadon mein  
Thoda sa kahin hai kinaron mein  
Phir ke chali hai thandi hawaaein  
Kya tum miloge hum se jahaan leke jaaye

Bheegi bheegi palkhen, kamsin adaayein  
Masoom chehra tera nahin bhool paaye

Tumhe bhi kabhi ye satate hain  
Muskra ke dil ko churate hain  
Jeene ko to dil yeh chaahta hai  
Jaane phir kyon sharmaata hai  
Rukta nahin hai, sab kuch bataaye  
Chupta nahin hai, dil jaan jaaye  
Ab rehna kisko yahaan
