Lucky Ali - Aks - Sandesh

Aey, sawera chale, jaise milne aa gaye mujhse sab
dost
mere
Yeh, rang bikhra, is taraf baadal hai us taraf suraj
nikla
Chal fir phire, door hawa mein ude
Hum to pehli pehli saawan ki ghata se mile
Ghar se koi pukaare paas mere tu ab to aa re
Sadiyon chalte tab milte kinaare yahaan

Dil maine to diya, badle mein tu mujhse vaise hi pyaar
kiya
Tum se bas yeh kehna hai, kabhi ho na jaana gum
Hum se door na jaana, na tanha rehna tum
Ab to saath ka jeena hai
Dil ka kehna sun, dil ka kehna sun

Yeh, hansti saher teri pehli ye kiran choome sagar ki
leher
Yeh, phaile huye, saare badal bhi garaj ke mile phir keh
to diye
Chal fir phire, door hawa mein ude
Tum se pehli pehli baar is jahaan mein mile
Ab mile hain do kinaare, apna tu hi to hai pyaare
Sadiyon woh chalaaye, phir milaaye yahaan

Yeh, jaise bhi hua
Allah rakhe saath tujhe meri nikle dil se dua
