Under the gun to wear my teenage aggression
Tell everyone it's the high school's newest succession
We didn't know what he was getting us into
Look out below, below

(Chorus)

You write us off when the times are rough, baby
Come blazing your guns, Woah
couldn't say it enough, no
Your commitment's so dangerous

Packaged and sold by the gross to the young and the
tasteless

Under the scope, the new craze for the paid and the
faceless

Does anyone know where we go when they find the
replacements?

Look out below, below...

(chorus)

Turn around when the times are rough baby

I can't stand the crossroads, no!

Your commitment's so dangerous (2x)

I couldn't say it enough, no...

Slowly adding up to manipulation

Hours and hours of stipulation

Rock 'n' Roll and speculation

We bought into the presentation

Throw your pitch and show your numbers

Dropping names of the people that you're working
under

Here's your word you can have it back

(chorus)

I'll keep the miles you can have the cash

I can't stand the crossroads, no

Turn around when the times are rough, baby

I couldn't say it enough, no

Your commitment's so dangerous (3x)

Your commitment!!
