The radio plays our favorite song
It's what keeps me holding on
Baby, do you miss me
Now that I'm gone

The DJ play our favorite song
It's what keeps me holding on
Baby, do you miss me
Now that I'm gone

Do you miss me
Do you miss
Do you miss me
Do you miss

Do you miss me
Do you miss
Do you miss me

I remember the day that you told me
You wanted to find another man, yeah
Now I hear you cry every time
We play Arizona Stand

Now I'm standing here
With 50 of my friends and a keg of Killians
And you're at home
With your Ani Difranco tapes again

The radio plays our favorite song
It's what keeps me holding on
Baby, do you miss me
Now that I'm gone

The DJ will play our favorite song
It's what keeps me holding on
Baby, do you miss me
Now that I'm gone

Do you miss me
Do you miss
Do you miss me

Do you miss

Do you miss me

Do you miss

Do you miss me

It's half past ten, no sign of cops

The barrels going strong

Three more beers

I'm sure'll make me feel like I belong

And everyone here reminds

There's no point in going home

And everything there reminds me

That I'm still alone

The radio plays our favorite song

It's what keeps me holding on

Baby, do you miss me

Now that I'm gone

The DJ will play our favorite song

It's what keeps me holding on

Baby, do you miss me

Now that I'm gone

Do you miss me

Do you miss me

Do you miss me

Do you miss me

You got your secrets

Reasons why you said it's over

That was my ticket

To never again be really sober

I'm so divided

Holding on while cursing you

But unlike you right now

I got nothing to prove

The radio plays our favorite song

It's what keeps me holding on

Baby, do you miss me

Now that I'm gone

The DJ will play our favorite song

It's what keeps me holding on

Baby, do you miss me

Now that I'm gone
