the radio plays our favorite song
it's what keeps me holding on
baby, do you miss me?
now that im gone
the DJ will play our favorite song
it's what keeps me holding on
baby, do you miss me?
now that im gone...

do you miss me?
do you miss
do you miss me?
do you miss
do you miss me?
do you miss
do you miss me!

i remember the day you told me,
you wanted to find another man, yeah
now i hear you cry every time we play arizona stand
now im standing here with 50 of my friends and a keg
of killions
you're back home with Andy DeFranco tapes again

the radio plays our favorite song
it's what keeps me holding on
baby, do you miss me?
now that im gone
the DJ will play our favorite song
it's what keeps me holding on
baby, do you miss me?
now that im gone...

do you miss me?
do you miss
do you miss me?
do you miss
do you miss me?
do you miss
do you miss me!

its half past ten and no sign of cops, the barrel's going

strong
3 more beers im sure will make me feel like i belong
and everyoe here reminds me there's no point in going
home
when everything there reminds me that im still alone

the radio plays our favorite song
it's what keeps me holding on
baby, do you miss me?
now that im gone
the DJ will play our favorite song
it's what keeps me holding on
baby, do you miss me?
now that im gone...

do you miss me?
do you miss me?
do you miss me?
do you miss me?

you got your secrets
reasons why you said its over
it was my ticket
to never again will be really sober
im so divided
holding on while cursing you
but unlike you right now
ive got nothing wrong

the radio plays our favorite song
it's what keeps me holding on
baby, do you miss me?
now that im gone
the DJ will play our favorite song
it's what keeps me holding on
baby, do you miss me?
now that im gone...
