*[Verse 1:]*

Sparks fly, i hit the ground running  
Thumb in the air on the side of the road  
Good work.. never comes easy  
Hey Driver to the top of the world [x2]  
Put my life over my right shoulder with confidence

*[Chorus:]*

and here i come  
westbound  
leave the motor running because i'm on the run  
in this crowded world i'll be high waiting when the last  
train comes

*[Verse 2:]*

Dark Skies, i feel my heels burning  
False hi's to the end of the road

No doubt, i've got alot of learning  
Hey driver to the top of the road  
Put my life over my right shoulder with confidence

*[Chorus]*

*[Verse 3:]*

Sparks fly, i hit the ground running  
I'm in the air on the side of the road  
Good work.. never comes easy  
Hey Driver to the top of the world  
Sparks fly, i hit the ground running  
Time stops at the end of the road  
The big life, big deals, beginnings,  
Hey Driver to the top of the world [x9]
