Slow down take another minute
Got a good record but I got no where to spin it
It ain't always up to me
It ain't always up to me

Slow down, down take another minute
Got a millioin dollar mind but you ain't got nowhere to
spend it
It ain't always up to me
It ain't always up to me

Oh give me one more chance
Oh give me one more chance and set me free

Reggae verse

Oh give me one more chance
Oh give me one more chance
Oh give me one more chance
Oh give me one more chance and set me free
