I and my go to a naughty party one day
Them said it' s gonna be eerie there
But when I and my go to a naughty party
I and I was disappointed, yeah

All we could hear there was their crackadoo
All we could hear there was their shoobee doobee,
yeah
And the music they played there
Was not good for a rasta man yeah
It was not good for a Jah man

I'm going back to my roots, yeah, yeah
Reggae music is all that I need
I'm going back to my roots, yeah, yeah
Reggae music is all that I need
I'm going back to my roots, yeah, yeah
Reggae music is all that I need

All we could hear there was their crackadoo
All we could hear there was their, shoobee doobee
yeah
And the music they played there
Was not good for a rasta man
It was not good for a Jah man

I'm going back to my roots, yeah, yeah
Reggae music is all that I need
I'm going back to my roots, yeah, yeah
Reggae music is all that I need

Reggae is mine reggae is mine, yeah, yeah
Reggae is mine, yeah, yeah, yeah, yeah, yeah

I'm going back to my roots, yeah, yeah
Reggae music is all that I need
I'm going back to my roots, yeah, yeah
Reggae music is all that I need
I'm going back to my roots, yeah, yeah
Reggae music is all that I need
