I've got to take a little time  
A little time to think things over  
I'd better read between the lines  
In case I need it when I'm older

This big mountain I must climb  
Ohh feels like the world upon my shoulders  
Through the crowds I see love shine  
It keeps me warm as life grows colder

In my life, there's been heartache and pain  
I don't know, if I can face it again  
I can't stop now  
I've travelled so far  
To change this lonely life

Chorus:  
I want to know what love is  
Reggae can show me  
I want to feel what love is  
Reggae can show me

I'm going to take a little time  
A little time to look around me

I've got nowhere left to hide  
It looks like reggae has finally found me

In my life, there's been heartache and pain  
I don't know, if I can face it again  
Can't stop now  
I've travelled so far  
To change this lonely life

Chorus:  
I want to know what love is  
Reggae can show me  
I want to feel what love is  
Reggae can show me

till fade
