I remember the day I called mama on the telephone
I told her mama I'm getting married, I could hear her
voice

On the other side of the telephone, she was smiling
And she asked me a question that I proudly answered

She said, "Son did you take time to know her?"
I said mama she's the best but today it hurts me so
To go back to mama and say mama I'm getting
divorced
Oh I'm getting divorced

This choice I made didn't work out
The way I thought it would
This choice I made didn't work out
The way I thought it would
It hurts me so mama, mama said to me

It's not easy to understand it son
But I hope you'll make it, but I hope you'll make it
But I hope you'll make it, you'll be happy again

I remember in church, when the preacher read the
scriptures
You looked so beautiful and innocent
I did not know that behind that beauty
Lies the true colors that will destroy me in the near
future

This choice I made didn't work out
The way I thought it would be
This choice I made didn't work out
The way I thought it would be
Now I'm hurting, I remember when I held you

By the hand preacher man read the scriptures
Putting words in your mouth
Maybe what the preacher man said
Was not something that was with you
Now I know what they mean when they say
Beautiful woman is another man's plaything
Oh Lord I'm hurting now

This choice I made didn't work out
The way I thought it would
Mama said to me

It's not easy to understand it son
But I hope you'll make it, but I hope you'll make it
But I hope you'll make it, you'll be happy again

It's not easy to understand it son
But I hope you'll make it, but I hope you'll make it
But I hope you'll make it, you'll be happy again

It's not easy to understand it son
But I hope you'll make it, but I hope you'll make it
But I hope you'll make it, you'll be happy again
