In my whole life  
My whole life  
I've got a dream  
I've got a dream

Too many people  
Hate apartheid  
Why do you like it?  
Why do you like it?

Hey you rasta man  
Hey European, Indian man  
We've got to come together as one  
Not forgetting the Japanese

Hey you rasta man  
Hey European, Indian man  
We've got to come together as one  
Not forgetting the Japanese

Hey you rasta man  
Hey European, Indian man  
We've got to come together as one  
Not forgetting the Japanese

The cats and the dogs  
Have forgiven each other  
What is wrong with us?  
What is wrong with us?

All those years  
Fighting each other  
But no solution  
But no solution

Hey you rasta man  
Hey European, Indian man  
We've got to come together as one  
Not forgetting the Japanese

Hey you rasta man  
Hey European, Indian man

We've got to come together as one  
Not forgetting the Japanese
