All this pain in this world
All the crying in this world
I'll take it to Jah

All the worries in this world
And all the troubles in this world
I will take to Jah

All the suffering
Right where we are
I'll take to my father

'Cause he said
Come to I with all thine sins
And I will wash away
All the impurities

He said I'm your father
The creator of everything
That's what I say

All this pain I'll take to Jah
All this pain I'll take to Jah
All these worries I'll take to Jah
All these worries I'll take to Jah

Come to I with your problems
No problem too big or small
No one, no one will be rejected
I'm your Father, The Creator

Oh-ho-ho-ho, Lord I cry
Oh-ho-ho-ho, Lord I cry

Even when Satan comes
With him demons
Turn everything I believed in
Upside down

I will never forget, mmm
With Jah on our side
Who can be against us

Oh no

Most high-omnipotent one
Praise him most high

All this pain I'll take to Jah
All this crying I'll take to Jah

All this pain I'll take to Jah
All this crying I'll take to Jah

All this pain I'll take to Jah
All this crying I'll take to Jah
