Verse1:

What type of rich man are you, who doesn't care about
the poor peo-ple,
what type of rich man are you who doesn't care about
the helpless people,
There you read it in the bible but dont understand what
it say,
It says,

Chorus,:

Blessed is the hand that giveth, than the one that
taketh, (x3)

verse2

Are you feeling the pain, when you see another man is
suffering ?
Does it make you feel the pain, to see another man
starving?
Does it make you feel happy, when you see another
man with no food?

You read about it in the bible, but didn't understand it.

Chorus, : (till fade).

Blessed is the hand that giveth, than the one that
taketh, (x3)
