Look in the eyes of the  
Homeless man  
Tell me what you see  
In the eyes of a jobless man  
Tell me what you see  
What about the eyes  
Of a prisoner  
What do you see  
Now you' ve seen it all  
It is time to make up your mind  
Don' t try to hide it  
'Cause I can see it all  
In your face yeah  
It the same questions  
That I ask myself every time  
To be or not to be

Chorus: (x3)  
Do you wanna be  
A well fed slave or a hungry free man

What is the point in being free

When you can' t get no job  
What is the point in being free  
When you can' t get food  
What is the point in going out to work  
When others can get for free  
What is the point in being free  
When you don' t have no home  
Now you' ve heard it all  
It is time to make up  
Your own mind  
To be or not to be  
Oh ho ho ho

Chorus:  
Do you wanna be  
A well fed slave or a hungry free man  
till fade
