Lalala lalalalalalalalala
Lalala lalalalalalalalala

I heard you're daddy said
That I messed with your head
But I'm only setting you free
Your mommy's uncool
When I called you a fool
And she tried to blame it on me

They made you lucky once,
I'll make you lucky twice
I'm Lucky Twice
I'll make you feel so good,
I'll make you feel so nice
I'm Lucky Twice

Oh oh
They made you lucky once,
I'll make you lucky twice
I'm Lucky Twice
I'll make you feel so good,
I'll make you feel so nice
I'm Lucky Twice

Lalala lalalalalalalala
Oh oh Lucky Twice
Lalala lalalalalalalala
Oh oh Lucky Twice

I know how you feel so I make you a deal,
That I won't be telling a soul
As soon as it's dark meet me down in the park
Its good to be out of control

They made you lucky once,
I'll make you lucky twice
I'm Lucky Twice
I'll make you feel so good,
I'll make you feel so nice
I'm Lucky Twice

They made you lucky once,
I'll make you lucky twice
I'm Lucky Twice
I'll make you feel so good,
I'll make you feel so nice
I'm Lucky Twice

When they say wrong
I say right
They say drop, and I'm telling you to fight

Make or brake
Do or die
You know that I won't let you leave

They made you lucky once,
I'll make you lucky twice
I'm Lucky Twice
I'll make you feel so good,
I'll make you feel so nice
I'm Lucky Twice

Oooh
They made you lucky once,
I'll make you lucky twice
I'm Lucky Twice
I'll make you feel so good,
I'll make you feel so nice
I'm Lucky Twice

Lalala lalalalalalala
Oh oh Lucky Twice
Lalala lalalalalalala
Oh oh Lucky Twice

Oh oh Lucky Twice
