You made the day break
You made my legs shake so bad
Once in a lifetime
You brought the sunshine and left me

But baby,
Tell me where I went wrong, why are you so impossible
Now I wrote this song, I'm hoping it makes you mine
So tell me where I went wrong, why are you so
Impossible
Now I wrote this song, I'm hoping it makes you mine

I never knew that
You had a heart wrapped in stone
I love the danger
Now you're the stranger who kissed me

But baby,
Tell me where I went wrong, why are you so impossible
Now I wrote this song, I'm hoping it makes you mine

So tell me where I went wrong, why are you so
Impossible
Now I wrote this song, I'm hoping it makes you mine

It's too late for lame excuses
You're gonna have to live with all the pain
Cuz when dreams are torn apart
It leaves you breathless
And nothing is ever the same

But baby,
Tell me where I went wrong, why are you so impossible
Now I wrote this song, I'm hoping it makes you mine
So tell me where I went wrong, why are you so
Impossible
Now I wrote this song, I'm hoping it makes you mine
