Make a wish for yourself
And for those you love
Break the chains of the spell
Fly away like a dove

Even though we're not together
I feel you in my heart
I feel you in my veins

Where is the world we livin' in?
Where is the home we're lookong for
Where is love we shared when we were young?
Where is the hope for tommorow?
For the freedom and the joy?
Where is the future we are dreaming of?

I was looking everywhere for something I have lost
Did you know it was you?
Runaway with me
'Cause I belive that we make it better
That we can find a place to be

Even though we don't belong here
We ask for some respect
We ask for some attention

Where is the world we livin' in?
Where is the home we're lookong for
Where is love we shared when we were young?

Where is the hope for tommorow?
For the freedom and the joy?
Where is the future we are dreaming of?

(Where is the love)
Oh where is the love?
(Where is the hope) Ohhh
(Where is the joy)
Oh don't you tell me tell me?
(Where is the love)
Oh where is the love?

Where is the world we livin' in?
Where is the home we're lookong for
Where is love we shared when we were young?
Where is the hope for tommorow?
For the freedom and the joy?
Where is the future we are dreaming of?

Where is the world we livin' in?
Where is the home we're lookong for
Where is love we shared when we were young?
Where is the hope for tommorow?
For the freedom and the joy?
Where is the future we are dreaming of?
