I never thought that you would be the one to hold my
heart
You came around and you knocked me off the ground
from the start

You put your arms around me
and I believe that it's easier for you to let me go
You put your arms me and I'm home

How many times will let you me change my mind and
turn around?
I can't decide if I'll let you save my life or if I'll drown

I hope that you see right through my walls
I hope that you catch me 'cause I'm already falling
I'll never let our love get so close
You put your arms around me and I'm home
The world is coming down on me and I can't find a
reason to be loved
I never wanna leave you but I can't make you bleed if
I'm alone

You put your arms around me
and I believe that it's easier for you to let me go...

I hope that you see right through my walls
I hope that you catch me 'cause I'm already falling
I'll never let our love get so close...

You put your arms around me and I'm home...

You put your arms around me and I'm home...
