The sun is filling up the room and I can hear you
dreaming
Do you feel the way I do, right now?
I wish we would just give up
'Cause the best part is falling, call it anything but love

And I will make sure to keep my distance
Say "I love you" when you're not listening
And how long can we keep this up, up, up?

Please don't stand so close to me, I'm having trouble
breathing
I'm afraid of what you'll see, right now
I'll give you everything I am
All my broken heartbeats until I know you'll understand

And I will make sure to keep my distance
Say "I love you" when you're not listening
And how long can we keep this up, up, up?

And I keep waiting for you to take me
You keep waiting to say what we have

So I'll make sure to keep my distance
Say "I love you" when you're not listening
And how long can we keep this up, up, up?

Make sure to keep my distance
Say "I love you" when you're not listening
How long till we call this love, love, love?
