Can you find the time to let your lover love you?  
He only wants to show you the things he wants to learn  
too  
The hardest parts you'll get through  
And in the end, you'll have your best friend

Love like this may come once, baby it's fate  
Like a soul mate, he's your penguin  
Baby it's fate, baby it's fate, not luck

Can you find the time to let your lover hold you?  
He needs somebody to hold too  
His love is strong and so true, his arrow is aiming for  
you  
And he's the one that you were born to love

Love like this may come once, baby it's fate  
Like a soul mate, he's your penguin  
Baby it's fate, baby it's fate, not luck

Let go, let go of time for you and I  
Let go, let go of time for you and I  
Let go, let go of time for you and I

Love like this is all I want, baby we're fate  
Love like this may come once, baby we're fate  
Like a soul mate, you're my penguin  
Baby we're fate, baby it's fate, not luck
