2 a.m., where do I begin?  
Crying off my face again  
The silent sounds of loneliness  
Wants to follow me to bed

I'm a ghost of a girl that I want to be most  
I'm the shell of a girl that I used to know well

Dancing slowly in an empty room  
Can the lonely take the place of you?  
I sing myself a quiet lullaby  
Let you go and let the lonely in to take my heart again

Too afraid to go inside  
For the pain of one more loveless night  
But the loneliness will stay with me  
And hold me 'til I fall asleep

I'm a ghost of a girl that I want to be most  
I'm the shell of a girl that I used to know well

Dancing slowly in an empty room  
Can the lonely take the place of you?  
I sing myself a quiet lullaby  
Let you go and let the lonely in to take my heart again

Broken pieces of  
A barely breathing story  
Where there once was love  
Now there's only me and the lonely

Dancing slowly in an empty room  
Can the lonely take the place of you?  
I sing myself a quiet lullaby  
Let you go and let the lonely in to take my heart again
