Gotta wake up
Caught myself sleeping today
Gotta wake up
No more daydreaming away
Gotta wake up
Caught myself sleeping today
Coz I don't really care
Coz I don't really care

I've gotta wake up
I've gotta stop dreaming
I keep telling myself
I'm better off
Not believing
So like coldplay
Lets go back to the start
Where words were left unsaid
Not ripped apart
As seconds turn to minutes
Minutes to days
And all I wanna do is
Sit back and gaze
Not thinking straight
Might be a phase
But I don't really care
In endless ways
When time stands still
I hear dead sound
When I think I'm flying
I'm still touching the ground
Dreaming got me spinning
Like a mary-go-round
And as the clock ticks
The truth I will have found

Gotta wake up
Caught myself sleeping today
Gotta wake up
No more daydreaming away
Gotta wake up
Caught myself sleeping today

Coz I don't really care
Coz I don't really care
