I was walking down the street looking at my feet. I  
didn't have no shoes.  
On my way to school, looking like a fool, and everybody  
knew.  
But it was alright, cause my friends of mine, knew I had  
a guitar.  
They knew I would play, 'become a big star \*. I would  
go so far!

Remember the time?  
When I didn't have a dime.  
We remember the time?  
When we didn't have a dime?

Those were the best days

Going down the street, playing at the mall, on them  
cheap bikes.  
Looking for somebody to steal, somebody to rob and  
somebody to fight.  
I didn't know my name, as well as i knew my friends,  
but I knew we were so cool.  
But everybody wanted to play by their own rules. We  
didn't go to school.

I remember the time?  
When we didn't have a dime.  
We remember the time,  
When we didn't have a dime.

By the time I was 14 or 15; trying to pass my drivers-  
test.  
The thing to do was to drive to school, cause i could  
never win for best dressed  
I drove a raggety car, to sneak in bars, a young boy's  
life has no stress.  
Watching cartoons. And popping balloons. That was the  
best.

Remember the time?  
When I didn't have a dime.  
I remember the time,

Those were the Best days
