Chorus

D is for dodge,
E is for extreme,
S is for smile,
T is for ttyl,
I is for International,
N is for nonsense,
Ys for Ys for you and me!

It's all about you,
It's all about me,
Yo yo it's Destiny,
Break it up it's Destiny
La la la la la

(Chorus)

Dark blue and orange,
Light blue and green,
Red and silver,
Baby blue and white,
So lets all go out tonight!

(Chorous)

We'll boogie all night,
And have a food fight,
We'll stamp our feet and feel the beat,
To go to history!

(Chorous)

Destiny Destiny Destiny!

One two three four!

(Chorous)

Bang bang bang
