Witches on brooms  
Wizards doing spells  
Then you will hear  
The Hogwarts bells  
He comes at last  
With Hagwart

Chorus  
Hogwarts Hogwarst  
That is a wizard school  
There stood at the door  
Harry Potter  
The famous boy  
And he saved Hogwarts  
Against the dark dark lord  
Da da da da da da

There youve heard his name,  
Now suffer down with shame,  
Grab your wand and learn the dare,  
See the dimetors fly in the air,  
At HOGWARTS!

(Chorus)  
Whoooooooooooooooooooo
