Chorus

Living in the mexico woooooho
Living in the mexico woooooho
Living in the mexico woooooho
With all my family and friends,

Hanging about with the Jocks,
In my bikini and socks,
Playing out in the sun,
Now come on everyone!

Lying on the sun beds,
Sun shining down on our heads,

Scoring loads of goals,
Eating ice cream in mexican bowls,

(Chorus)

We in mexico We in mexico
This is Mexico and it is great,
The colours of the sunset brighten us up,
The sun the moon the sky the grass,

(Chorus)

Whooo

Living in a Mexico +3
