Love story  
How can you hear me  
As you sing a song  
The bells ring ding dong  
The day I met ya  
You liked this girl  
Then dumped her  
And gave me a twirl

Chorus  
When you loved me,  
We were meant to be,  
Ya didn't drive me crazy,  
And you werent lazy,  
Cause we're a love story.

Brown hair blue eyes  
That matched the buetiful sky  
Your hair shined through the sun  
We had so much fun,

(Chorus)

We met on holiday,  
As we lay,  
In the pool you told the girls,  
But not me...  
Oooooohhh

(Chorus)

Yeh yeh yehh...

I headed in the wrong direction,  
You were there for me,  
And you were protection,  
Wooooooooooooooooooooow yeah yeah
