Do you remember me?
My heart is filled with memories, oh
Do you remember me?
I can't forget you and that's the way it is
Do you remember me? (Do you remember?)
(Oh oh oh)
Do you remember me? (Do you remember?)
I can't forget you and that's the way it is
I saw you walking across the street
Talking with another girl (Oh oh)
I thought you were the one for me
What am I supposed to do? (What am I supposed to do?)
Do you remember me?
My heart is filled with memories, oh
Do you remember me?
I can't forget you and that's the way it is
I can't believe you're not with me (Oh oh)
After all the things we shared (After all the things we shared)
I just wish that you could see (That you could see)
That you and I were meant to be, ooooh
Do you remember me? (Do you remember?)

My heart is filled with memories, oh
Do you remember me?
I can't forget you and that's the way it is
Do you remember me? (Do you remember?)
Oh oh oh oh (Oh oh oh oh)
Do you remember me?
I can't forget you and that's the way it is
Memories (memories) of you and me (of you and me)
I can't forget I still believe that
Everything (everything) we had back then
Lets bring it back again (Lets bring it back)
Oooooooooooh
Do you remember me? (Do you remember?)
My heart is filled with memories, oh
Do you remember me?
I can't forget you and that's the way it is
Do you remember me? (Do you remember?)
My heart is filled with memories, oh

Do you remember me? (Do you remember?)
I can't forget you and that's the way it is
I can't forget you and that's the way it is
