When I look at you
I notice something has gone
I see a stranger
Not the same blue eyes I fell for
Everything has changed
There's no love in the air
I can feel it
Oh, I can feel it
Is it my, my mistake
I read your silence
Is it my, my mistake
This is violence
Chorus:
Was it something I said?
Was it something I did?
Don't tell me this is love
If you can't forgive
Tell me what shall I do
I do anything for you
But if you tell me this is love
I say goodbye
Like a far away dream
There's a distance
Miles and miles between us
So what is here for me
But a hole in my heart
Shall I move on
Are you the one to tell me
Is it my, my mistake
I read your silence

Is it my, my mistake
This is violence
Chorus:
Was it something I said?
Was it something I did?
Don't tell me this is love
If you can't forgive
Tell me what shall I do
I do anything for you
But if you tell me this is love
I say goodbye

Is it my mistake
I read your silence
Is it my mistake
Chorus:
Was it something I said?
Was it something I did?
Don't tell me this is love
If you can't forgive
Tell me what shall I do
I do anything for you
But if you tell me this is love
I say goodbye
Goodbye
Goodbye
If you can't forgive
Tell me what shall I do
I do anything for you
But if you tell me this is love
I say goodbye
