I'll be the girl
Here we are alone again
Out of love and full of pain
Tell me boy where we went wrong
Cause with me is where you belong
Oh, I believe in you and me
Just give me time to prove it
Yes I will do anything for you
Just tell me what you want baby
And I will be the girl that holds you when you're sad
and lost
Bring you to a brighter place no matter what it costs
I promise I will say those words you love to hear
Oh baby I'll be the girl
There you go you running again
Its not your fault and no ones to blame
You need me boy to hold you close
I wont let go when you need me the most
Yes you and me are meant to be
Just give me time to prove it
Come to me and I will make you see
I'll tell you what we need baby
And I will be the girl that holds you when you're sad
and lost

Bring you to a brighter place no matter what it costs
I promise I will say those words you love to hear
Oh baby I'll be the girl
Be the girl that holds you when you're sad and lost
Bring you to a brighter place no matter what it costs
I promise I will say those words you love to hear
Oh baby I'll be the girl
I sit alone and wonder why all you have to do is try
You hunger for my touch oh, you need it so much
And I will be the girl that holds you when you're sad
and lost
Bring you to a brighter place no matter what it costs
I promise I will say those words you love to hear
Oh baby I'll be the girl
I'll be the girl and I'll be you world
I promise I will say those words you love to hear
I promise I will say those words you love to hear

Oh baby I'll be the girl
