Hold me never let go
Can you feel my heart
Hold me whisper my name
And tell me I'm the one
I have never felt anything so strong
Right now, life is a lovesong

Chorus:

Between now and forever
I wish we'd be together always
Here in my heart you belong
Between now and forever
I wish we'd be together always
Here in my heart you belong
Falling, falling for you
Has made my life complete
Someone, someone as good as you
I thought I'd never meet
Oh, you made a right
Out of every wrong
Right now life is a lovesong

Chorus:

Between now and forever
I wish we'd be together always
Here in my heart you belong
Between now and forever

I wish we'd be together always
Here in my heart you belong
With you, always with you, with you
Cause you made a right
Out of every wrong
Right now life is a lovesong
Between now and forever
I wish we'd be together always
Life is a lovesong

Chorus:

Between now and forever
I wish we'd be together always
Here in my heart you belong
Between now and forever
I wish we'd be together always (always, between now
and forever)

Here in my heart you belong
Between now and forever
I wish we'd be together always
Life is a lovesong
Allways with you , with you
Life is a lovesong , with you
Allways with you..
