If you would be my loverboy
There's so much that we could enjoy
If you were here whit me
If you were my loverboy
I reach out to touch you
But you're not there with me
Oh I must have been dreamin'
Thinking about you
And how you make me feel
If we were one, together
Things would work out
Only for the better
Then I wouldn't be here
Wouldn't be here by myself
How I wish that you would notice me
As I'm trying to get to you
How I wish that you could see
All the things that we could do
Chorus:

If you would be my loverboy
There's so much that we could enjoy
You'd make my dreams come true
So tell me what you want me to do
And I will do it to you
If you would be whit me tonight
I would hold you tight
And show you what I'm about
Oh baby I swear,
If you were my loverboy

I picture myself,
Lying in my bed next to you
With your arms around me
I rtemble of excitement
Oh how I wish you would come true
BUt no, no, when I turn out the lights
No, no, you ain't with me tonight
Oh no, no, no,
You're not by my side oh no
How I wish you would notice me,
As I'm trying to get to you
How i wish that you could see

All the things we could do
Chorus:
If you would be my loverboy
There's so much that we could enjoy
You'd make my dreams come true
So tell me what you want me to do
And I will do it to you
If you would be whit me tonight
I would hold you tight
And show you what I'm about
Oh baby I swear,
If you were my loverboy
If you would be my loverboy
There's so much that we could enjoy
If you were here whit me
If you were my loverboy
