Ah aha ah aha ah aha  
If he told me in a letter I could read between the lines  
And if he whispered softly on the phone I could hear it  
in his voice  
But he wont tell me nothing that I already know  
And I really need that something boy I wish that he  
would show  
If he loves me loves me not  
I got to know because I need my baby  
Loves me loves me not  
I got to know because I need my baby tonight  
(Ah aha ah aha ah aha ah)  
Because I need my baby tonight  
We go round and round in circles only wasting precious  
time  
If he only he would tell the truth instead of tearing up  
my heart  
But he wont tell me nothing and boy I wish that he  
would show  
If he loves me loves me not  
I got to know because I need my baby  
Loves me loves me not

I got to know because I need my baby tonight  
(Ah aha ah aha ah aha ah)  
Because I need my baby tonight  
(Ah aha ah aha ah aha ah)  
Because I need my baby tonight  
Is this just a big illusion (illusion)  
That makes me fall into confusion  
I got .  
If he loves me loves me not  
I got to know because I need my baby  
Loves me loves me not  
I got to know because I need my..  
If he loves me loves me not  
I got to know because I need my baby  
Loves me loves me not  
I got to know because I need my baby  
(Ah aha ah aha ah aha ah)  
(But if he loves me loves me yeah yeah)  
(Ah aha ah aha ah aha ah)

Because I need my baby tonight  
(Ah aha ah aha ah aha ah)  
Because I need my baby tonight
