Life is precious, so don't you go wasting your time
Don't be stupid, who cares about gold cards and
dimes
I'll be waiting, baby just give me a sign, oh yeah
Try to face it, you know yourself what you wanna be
In a minute, that's all it takes to set yourself free
This day is perfect, so why don't you spend it with me,
oh yeah
(with me, oh yeah)

If you're feeling crazy, wanna go and have some fun
Hitch a ride and take the chance and I will join you,
hon'
And you know you should be hanging with a girl like me
Take a break and come and see me down on Lucy
Street

Tell me something, what would you prefer
Should I hold you or should I just call you sir
Make up your mind up if you want me for your girl, oh
yeah
Don't you know that this party's lasting all night long
So grab your shoes, and keep wishing that they play
your song
Something groovy and then all of us will sing along, oh
yeah
(along, oh yeah)

If you're feeling crazy, wanna go and have some fun
Hitch a ride and take the chance and I will join you,
hon'
And you know you should be hanging with a girl like me
Take a break and come and see me down on Lucy
Street

When the world is on your shoulders, you feel you
can't break free
Baby I've got something I know will taste so sweet
Honey come and see me down on Lucy street
Oh ooh yeah, oh ooh yeah

So come down on Lucy Street, yeah
Come down on Lucy Street, yeah

So come down on Lucy Street, yeah
Come down on Lucy Street, yeah

If you're feeling crazy, wanna go and have some fun
Hitch a ride and take the chance and I will join you,
hon'

And you know you should be hanging with a girl like me
Take a break and come and see me down on Lucy
Street

So come down on Lucy Street, yeah
Come down on Lucy Street, yeah
So come down on Lucy Street, yeah
Come down on Lucy Street, yeah
