(Cranberries cover)

Another head hangs lowly, child is slowly taken.  
And the violence caused the silence, who are we  
mistaken ?

But you see, it's not me, it's not my family.  
In your head, they are fighting  
With their tanks and their bombs and their bombs and  
their guns.  
In your head, they are crying...

In your head, in your head, zombie, zombie  
In your head, in your head, zombie, zombie

Another mother's breakin', heart is taking over.  
When the violence causes silence, we must be  
mistaken.

It's the same old theme since nineteen-sixteen.  
In your head, they're still fighting  
With their tanks and their bombs and their bombs and  
their guns.  
In your head, they are dying...

In your head, in your head, zombie (zombie), zombie  
(zombie)  
In your head, in your head, zombie (zombie), zombie  
(zombie)  
(Zombie, zombie, zombie, zombie)

In your head, in your head, zombie, zombie  
In your head (in your head), in your head  
Zombie (zombie), zombie (zombie).
