Me and you
We're like one and two
We go together
Like P's and Q's
If I had to choose
I would do it again
'Cause you own my heart
Gonna love you to the end

Gonna stand right by you
Until my eyes see a million moons
It's crazy how we got together way back when
And we've been on
Ever since (eh eh)

Ever since (eh eh)
Ever since (eh eh)
Ever since (eh eh eh)
We made up my love, love
We made up my love, love
We made up my love, love, love, love, love, love

You're everything I do
Since I put you on my team, we'd never lose
I'm in love with the simple ways of you
This feels unreal, but you know it's true, boy
I miss your kisses
I miss your touchin'
I miss your lovin'
When you're not around
So I need you with me
I'll take you with me
No matter where I go-o-o-o

Gonna stand right by you
Until my eyes see a million moons
It's crazy how we got together way back when
And we've been on
Ever since (eh eh)

Ever since (eh eh)

Ever since (eh eh)
Ever since (eh eh eh)
We made up my love, love
We made up my love, love
We made up my love, love, love, love, love, love
We made up my love, love
We made up my love, love
We made up my love, love, love, love, love, love

And now, I'd like to thank the Artist for painting you in
my picture
Thanks for the beautiful smile, the beautiful frame
Engraved with both of our names (ooh ooh ooh)

Ooh ooh
Ooh ooh
Ooh ooh
Ooh ooh

I wanna sing my songs for you!
And live my life for you!

Forever since
Forever since
Forever since
You've been my guy
Forever since
Forever since
Forever since
You've been my guy

We made up my love, love
We made up my love, love
We made up my love, love, love, love, love, love
We made up my love, love
We made up my love, love
We made up my love, love, love, love, love, love
