He don't
He doesn't really know my moves
Thinking that he just can't lose
If he only knew the truth
He calls (he calls)
In tell him everything's alright (it's alright)
Baby don't wait up tonight
Don't worry baby, don't think twice

I'm cold as ice, losing touch with myself
Help me out
Would somebody save me, save me?
In the dark, spinning out of control
No way out
Could somebody save me, save me?

Guilty
His love is a crime, I'm on the wrong side
Guilty
I'm sentenced for life, I'm doing real time
Guilty
I'm guilty as charged, but no I'm never gonna let it
show
I'll never let you know it

Guilty
His love is a crime, I'm on the wrong side
Guilty
I'm sentenced for life, I'm doing real time
Guilty
I'm guilty as charged, but no I'm never gonna let it
show
I'll never let you know

Creeping, get these feelings in my mind
I'm thinking of us intertwined
Tell me where to meet tonight
Take me, take me by the hand once more
Pulling me down to the floor
It's like we've done this all before

I'm cold as ice, losing touch with myself
Help me out
Would somebody save me, save me?
In the dark, spinning out of control
No way out
Could somebody save me, save me?

Guilty
His love is a crime, I'm on the wrong side
Guilty
I'm sentenced for life, I'm doing real time
Guilty
I'm guilty as charged, but no I'm never gonna let it
show
I'll never let you know it

Guilty
His love is a crime, I'm on the wrong side
Guilty
I'm sentenced for life, I'm doing real time
Guilty
I'm guilty as charged, but no I'm never gonna let it
show
I'll never let you know

Tell me what's a girl to do?
I just wanna be with you
Always changing, faces changing
Maybe there will be a time
I can find to make it right
To fix it all better
For now I won't let it

Guilty
His love is a crime, I'm on the wrong side
Guilty
I'm sentenced for life, I'm doing real time
Guilty
I'm guilty as charged, but no I'm never gonna let it
show
I'll never let you know it

Guilty
His love is a crime, I'm on the wrong side
Guilty
I'm sentenced for life, I'm doing real time
Guilty
I'm guilty as charged, but no I'm never gonna let it
show
I'll never let you know
