Yeah!  
Yeah!  
Yeah!

La la la la  
La la la la  
La la la la  
La la la la

You used to own all of my attention  
Now I'm out here clubbin' without permission  
I looked up to you  
Like peoples' eyes look to the moon  
Yeah

I can't believe we fell this far  
Straight from the sky, broken hearts  
I can't believe what's come undone  
Never thought I'd meet the day that we'd be apart

See I was your biggest fan  
Wish you were a better man  
I'm here to let you know that I'm washin' my hands  
I was happy just to be your girl  
But it was me that you didn't deserve  
And now it's all over and I'm washin' my hands

My hands, my hands, my hands  
My hands, my hands, my hands  
My hands, my hands, my hands  
My hands, my my my  
I'm washin' my hands

And now my love is like an encryption  
You led me on and on with this fiction  
And this love that we had was  
Faker than an eight-day week  
Yeah

I can't believe we fell this far  
Straight from the sky, broken hearts

I can't believe what's come undone  
Never thought I'd meet the day that we'd be apart

See I was your biggest fan  
Wish you were a better man  
I'm here to let you know that I'm washin' my hands  
I was happy just to be your girl  
But it was me that you didn't deserve  
And now it's all over and I'm washin' my hands

My hands, my hands, my hands  
My hands, my hands, my hands  
My hands, my hands, my hands  
My hands, my my my  
I'm washin' my hands

Super stupid simple loser  
Falling like a ray of love  
Sick of you, hope I'm feeling better once I give you up  
Hangin' with your dumb friends  
Bring us crashing to the end  
Coulda made us, coulda saved us now it's curtains  
down

I'm washin' my hands  
Washin' my hands  
Washin' washin' my hands  
Coulda made us, coulda saved us now it's curtains  
down (curtains down)

See I was your biggest fan  
Wish you were a better man  
I'm here to let you know that I'm washin' my hands  
I was happy just to be your girl  
But it was me that you didn't deserve  
And now it's all over and I'm washin' my hands

My hands, my hands, my hands  
My hands, my hands, my hands  
My hands, my hands, my hands  
My hands, my my my  
I'm washin' my hands
