Here in this slow motion dream, you're all around  
I try to call out your name, but there's no sound  
I wanna run where you are, but I can't move  
I'm fighting hard just to say these words to you

Beautiful, I love you deeper than deep  
Please let me drown, 'cause I'm only sleeping  
Beautiful, I love you farther than far  
Don't you know, beautiful?  
You are

I'm scared when you look at me, you read my mind  
You know the things that I keep so deep inside  
It's never ending for me, it won't go away  
And every time you're near me, I just can't say

Beautiful, I love you deeper than deep  
Please let me drown, 'cause I'm only sleeping  
Beautiful, I love you farther than far  
Don't you know, beautiful?  
You are

Flying out  
I know  
Flying out  
I know

Beautiful, I love you deeper than deep  
Please let me drown, 'cause I'm only sleeping  
Beautiful, I love you farther than far  
Don't you know, beautiful?  
You are

Beautiful, I love you deeper than deep (yeah-)  
Please let me drown, 'cause I'm only sleeping  
Beautiful, I love you farther than far  
Don't you know, beautiful?  
You are

Beautiful, I love you deeper than deep (I'm only  
sleeping you)

Please let me drown, 'cause I'm only sleeping (I'm only  
sleeping you)  
Beautiful, I love you farther than far (I'm only sleeping  
you)  
Don't you know, beautiful?  
You are
