He broke my heart today
I don't know what to say
I can't feel a thing at all
I did not see it coming
And now your just a man that got away
I look at the ground and give the sky the middle finger
Something inside said here's a day you should
remember
So mark it on the wall
Heeey, yeah

I never believed it could happen to me
Something like this only happens to dumb girls
Taking themselves too seriously
I was so damn smart
I was the one girl
Who never believed it could happen to me
Something like this only happens to somebody else

I miss you so much I can't stand it (I can't stand it)
You bring out the blonde in me
Cause I'm still hanging on, even though you done me
wrong
I got the heart to forgive with, but I'd never let you know
What kind of girl would put herself in that position
Yeah
To think that I could ever butt the system
And not get fooled again

I never believed it could happen to me
Something like this only happens to dumb girls
Taking themselves too seriously
I was so damn smart
I was the one girl
Who never believed it could happen to me
Something like this only happens to somebody else

I thought I was strong
But I was just dreaming
I can't believe it
That one thing was wrong

I thought I knew what was going on
But love was deceiving, love was deceiving me

I'm just a dumb girl
Yeah
A dumb, dumb, dumb girl
That's what I am
Yeah, yeah

I can't believe that it happened to me
Something like this only happens to dumb girls
Taking themselves too seriously
I was so damn smart
Yeah I was the one girl
Who can't believe it could happen to me
