August, no clue, 2002  
I didn't see coming even when I came  
I got what I asked for  
3000 miles and no more wondering  
If I need a change, ain't it strange?

Is this Hollywood?  
'Cause I feel a bit displaced  
But I kinda like it  
Oh I just know it's gonna be good

I've already decided, yeah  
I wouldn't leave it if I could  
Disoriented as I am  
Is this, is this Hollywood?

The waitress knows my story  
'Cause I'm here every single morning  
She calls you, New York  
Oh I tell her you're long gone, oh oh

And you're easy to forget  
How lucky can a girl get?  
The outta site works a charm  
Ain't I strong?

Is this Hollywood?  
'Cause I feel a bit displaced  
But I kinda like it  
Oh I just know it's gonna be good

I've already decided, yeah  
I wouldn't leave it if I could  
Disoriented as I am  
Is this, is this, is this Hollywood?

And you know it's time  
'Cause I can always change my mind, okay  
I can come and I can go  
That's all I need to know today

'Cause I feel a bit displaced

But I kinda like it  
Oh I just know it's gonna be good

I've already decided, yeah  
I wouldn't leave it if I could, yes  
Is this Hollywood?  
Is this Hollywood?

And my eyes are buggin', yeah  
I got a brand new neighborhood  
That I'm really loving, yeah  
I wouldn't leave it if I could  
Disoriented as I am
