Shh, shh
It's oh so quiet
shh, shh
it's oh so still
shh, shh
your all alone
shh, shh
and so peaceful until

You fall in love
zang, boom
sky up above
zang, boom
it'ts cavin' in

you've never been nuts about a guy
you wanna laugh you wanna cry
you cross your heart and hope to die
till it's over

and then
shh, shh
it' nice and quiet
shh, shh
but then soon again
shh, shh
starts nother big riot

You blow a fuse
zang, boom
the devil cuts loose
zang, boom
so what's the use?
then I'm falling in love

it's oh so quiet
it's oh so still
your all alone
and so peaceful until

you ring that bell
bang, boom

you shout and you yell
ohhh
you broke the spell

oh gee this is swell
you almost have a fit
this guy is
and i got it gorge
there's no mistake
THIS IS IT!
till it's over

and then it's nice and quiet
shh, shh
but soon again
shh, shh
starts another big riot

You blow a fuse
zang, boom
the devil cuts news
zang, boom
so what's the use?
then I'm falling in love

the sky caves in
the devil cut loose
you blow, blow, blow, blow, blow a fuse
when you fall in love
