[Jay-Z]  
YO, they call me William H. (H!) the all-time great  
(GREAT!)  
I fuck the most hoes out of New York State (STATE!)  
I rock my jewels (JEWELS) I'm not a fool (FOOL!)  
In the small of my back I got this big-ass tool (Ha hah!)  
When I'm skatin through the city and I stop and kick it  
Be the most asked question - how I got them digits?  
I say I stay on my grind, never stop for bitches  
Never talk like a mime I gotta watch you snitches  
And I stick to the script, that's my advice so live  
Eat nigga, let it stick to your ribs  
I seen niggaz go from handlin birds to ramblin words  
to the man, seen a Sammy the Bull emerge on the  
stand  
And it was all good just a week ago  
We lost Todd E., but we still eatin though  
For like a hundred weeks nigga, we gon' run the streets  
til we reach Malik or the date of E's release  
Peep Hova in a Jeep Rover, passin reefer over  
to this freak, breathe mami this is good weed mami  
Three, hymies under the belt, three extra clip  
We aim, we shoot; y'all shoot aim, we stick to the script  
C'mon!

[Chorus: Jay-Z]  
Money over bitches nigga stick to the script

We cop, we flip, we re-up; get back on our shift  
Money over bitches nigga stick to the script  
{\*scratch\* "You can bullshit with rap if you want,  
muh'fuckers"}

Money over bitches nigga stick to the script  
We cop, we flip, we re-up; get back on our shift  
Money over bitches nigga stick to the script  
{\*scratch\* "You in the streets nigga, make your  
moves"}

{\*scratch\* "Y'all niggaz truly ain't ready for this  
dynasty thing"}

[Beanie Sigel]

Geah, uh-huh

{\*scratch\* "This Philly cat ba.. back at"}

Stick to the script, yo

Aiyyo they don't call me Mac for nuttin  
I don't give a whore jack, man they all say that Mac be  
frontin  
But if you can't take a case bitch and take it to the chin  
take the heat, beat your feet bitch, skate in the wind  
Don't snitch, we can blow dough, make it again  
You can be my hoe bitch, I can't make you my friend  
because - friends depend on friends, not Bean Sigel's  
shit  
I don't need you; let welfare feed you  
Mac'll, stick to the script, and stick to the flip  
I got a sick whip game, water stick to the bricks  
I got a sick flip game, order gettin and shit  
I got a strict strip, flip 'caine, get it in shifts  
Bitch, you can't get at me, shit I get at you  
only in the physical, I tell you like Mystikal  
"Shake that ass (yeah) watch yourself  
(Yeah) show me what you workin with but wash  
yourself"  
Fuck a dirty bitch (yeah) man I roll with a sturdy click  
that'll murder shit, empty clips you never heard a spit  
Slide a bitch what? Slide a bitch shit  
Slide a bitch dick, then I slide out a bitch shit  
Ain't no time to stick around and play step pops  
Shit I'm tryin to get down, cop and upset blocks  
Low price, quick flip, 2-8-K quick  
Shit don't go right, 2 AK's spit - stick to the script nigga

[Chorus]

Money over bitches nigga stick to the script  
We cop, we flip, we re-up; get back on our shift  
Money over bitches nigga stick to the script

..  
Money over bitches nigga stick to the script  
We cop, we flip, we re-up; get back on our shift  
Money over bitches nigga stick to the script  
Y'all get knocked, y'all turn bitch  
We get knocked, we never snitch, c'mon
