I'm driving in your car
You turn on the radio
You're pulling me close
I just say no
I say I don't like it
But you know I'm a liar

'Cause when we kiss - uuuh - Fire!

Late at night you're taking me home
You say you wanna stay
I say I wanna be alone

'Cause when we kiss - uuuh - Fire!

You got a hold on me right from the start

There's a girl so tight
I couldn't tear it apart
My nerves all jumping
Acting like a fool

Your kisses they burn me but my heart stays cool

Romeo und Julia
Samson und Delilah

Ja von sowas tramst
Und I krepier daweil I'm Fire
Und dann schaut mi an
Uund I woas dia gehts wia mia

Du brennst wia I - uuuh - Fire

Brennst wia I I'm Fire

Cerk me up I'm fire
