It's been seven hours and fifteen days
Since you took your love away
I go out every night and sleep all day
Tell me baby where did I go wrong
Since you been gone I can do whatever I want
But nothing
I said nothing can take away these blues,

'Cause nothing compares
Nothing compares 2 u

I went to the doktor and guess what he told me
Guess what he told me
He said girl u've better try to have fun
No matter what you do
But he's a fool

'Cause nothing compares
Nothing compares 2 u

Nothing compares
Nothing compares

Nothing compares 2 u
