Disturbing the peace, okay
We don't die, we multiply 'cuz there's a strength in
numbers, baby
So I brought some of my family members here today
To talk to y'all about celebrity chicks
So Ching-a-ling, why don't you go ahead
And start this thing off for, what up?

From the moment she wake up, so Hollywood puttin' on
her makeup
Can't save her but it's always a fool to keep her caked
up
You ask the chick out, tike the say where you gon' take
her
And see the, to Vegas or Cali to see the Lakers

She brought that paper, getting over on Cat's major
This at the Billboard's I seen for real name in the pager
Say what, most of these balls they can't fade her
She stay fly, Dolce Gabbanna and Marc Jacobs

You can catch a Melrose on her shopping spree
Don't have to ask for which she gets what she needs
She don't mess with broke cats, so please have some
cheese
Oops, my fault she only mess with celebrities

Celebrity chick, be at the awards in the zone
Celebrity chick, all about them diamonds customs
Celebrity chick, they have to keep them small world
steps on
Celebrity chicks, celebrity chicks

Celebrity chick, be at the awards in the zone
Celebrity chick, all about them diamonds customs
Celebrity chick, they have to keep them small world
steps on
Celebrity chicks, celebrity chicks, celebrity chick

She got a loan and can't pay the rest
So she got another brother writing a check
I'm talking if she want it bad enough, she will get it

glad enough
She can run it, run it at the same time standing in place

And got a long list of giving me
And who will be buying tables man, I'm out of here
But it's to late now, she can see I'm paid now
That I can make it rain now, say now I think I lost a girl

You can catch a Melsrose on her shopping spree
Don't have to ask for which she gets what she needs
She don't mess with broke cats so please have some
cheese
Oops, my fault she only mess with celebrities

Celebrity chick, be at the awards in the zone
Celebrity chick, all about them diamonds customs
Celebrity chick, they have to keep them small world
steps on
Celebrity chicks, celebrity chicks, celebrity chick

I see some celebrity chicks everywhere that I be
Everywhere that I've been, the selection or celebrity
chicks to see
I see Meeg and I see Mia, I be wantin' to meet 'em
I can see them in the sheets when I imagine me
between 'em

I'm straight up off the streets the MC
And I've been waiting to see Heaf
So I could shred it to him rough ride
And I leave it to the back seat of the Beamer

And hear that heatin' and give lil' mama the reason
To send papa to a region, as hot as a pot steamin'
I wanna be the secret that me and Trina keepin'
I'm hood enough for the girl I keep and every toe I
Keisha

Good lord Jesus, she can go and pet the jeezer
I just want it for the weekend
I got the power to be 'bout it, I'm not a weakling
I'm trying to fly out to see Jessica Alba in bikini's

Big Smallworld, Ludacris, Steph Ginga
Holla at us when you see us, if you want us, how I need
us

You can catch a Melsrose on her shopping spree
Don't have to ask for which she gets what she needs.
She don't mess with broke cats, so please have some
cheese

Oops, my fault she only mess with celebrities

Celebrity chick, be at the awards in the zone
Celebrity chick, all about them diamonds customs
Celebrity chick, they have to keep them small world
steps on
Celebrity chicks, celebrity chicks, celebrity chick

That's right, we don't die, we multiply
Strength in numbers baby we just gettin' started

All new celebrity chicks, anybody with money can
